Congratulations to Blue House on their successful win on the day. Thank you to Mrs Robinson for organising the day, the P&C for catering, the parent helpers, Mr Harris as groundsman, all teachers and SASS staff and our positive participants on the day!

Information sheet for applicants

How to apply for a Working with Children Check Clearance

Note: Subject to conditions, existing child-related workers in the Department of Education and Communities are not required to apply for a Working with Children Check (WWCC) Clearance until the relevant compliance date as prescribed in the Child Protection (Working with Children) Regulation 2013. For further information, please contact your relevant human resources area for advice.

The application process for a WWCC Clearance is as prescribed by the Children’s Guardian. For the full conditions, please visit the website at http://www.kids.nsw.gov.au.

Who needs to apply

If you are required to obtain a Working with Children Check (WWCC) Clearance as a condition of employment or engagement in child-related work, and you are not an existing child-related worker in the Department, you must apply for the Clearance as issued by the Children’s Guardian (if you don’t have one already).

How to apply

- Complete the online application form which can be accessed at http://www.newcheck.kids.nsw.gov.au.

  If you cannot access the online system, call the Children’s Guardian customer service on (02) 9286 7276 and an officer will complete the application form for you.

- Once you have made an application, you will receive an application number.

- Present your application number to a NSW motor registry or Government Access Centre, along with proof of identity (which consist of the same proof required when applying for a NSW drivers licence).

  For information about the NSW Motor Registry or Government Access Centre near you, telephone 13 22 13. See next page for a full list of NSW Motor Registries and Government Access Centres.

- Once your application has been processed, the Children’s Guardian will notify you of the outcome by email or post.

  You will not be employed by the Department if you do not receive a WWCC Clearance number.

Cost

Non-volunteer clearance
A person with a non-volunteer clearance can be engaged in either paid or unpaid child-related work.

An application fee applies ($80 as of 15 June 2013) which is paid for by the person applying for the clearance.

Volunteer clearance
A person with a volunteer clearance can be engaged in unpaid child-related work. An application fee does not apply.

What records are checked

The WWCC process obtains applicants’ national criminal histories from CrimTrac. Records include: convictions (spent or unspent), charges (whether heard, unheard or dismissed) and juvenile records.

Workplace misconduct findings are also considered. If a misconduct investigation finds that sexual misconduct, including grooming, or serious physical assault of a child has occurred, nominated reporting bodies must report this finding.

If the outcome of a WWCC is a clearance, the child-related worker will be subject to ongoing monitoring for relevant new records during the period that your WWCC Clearance is valid.

Validity

If you receive a WWCC Clearance, the Check is valid for 5 years (from the date it is granted), unless it is cancelled sooner by the Children’s Guardian or if you surrender it sooner.

Science and Engineering Day for years 5 and 6

Students from Years 5 and 6 participated in a Science and Engineering Experience at The Henry Lawson High School on Friday 23rd May. Students worked in pairs to build one of the following: an air cannon, a catapult, a rocket, a bridge, a jet car or a tower. Awards were given for pairs who demonstrated great teamwork and those who built a prototype that scored highest in all the tests. Breanna and William won an award for their jet car which amazed everyone with its performance in the tests. Zach and his partner won the award for teamwork in the rocket building group. We had a fabulous day.

The Henry Lawson Festival Recitation Day

Recitation Day in Grenfell is coming up again on Thursday June 5th. All students should be practising their poems for homework each night. It is expected that we will all know the words by the end of this week so next week we will just have to refine performing these poems. Don’t forget students can wear costumes to enhance their performance if they wish. We will be travelling into Grenfell by bus, however, parents are invited to meet us at the venues in town. Permission notes will be out in the next few days.
