Milk

Milk is a good source of calcium, which gives children healthy bones and teeth. It is recommended that children have three serves of calcium rich foods a day. A glass of milk, a slice of cheese or a small tub of yoghurt, are each considered one serve.

Due to the high energy needs of babies and toddlers, reduced-fat milk is not suitable for children aged less than two years. However, from the age of two years, drinking too much milk can reduce a child’s appetite and contribute to excess energy consumption. Therefore reduced-fat milk is recommended for children two years and over.

FORBES SMALL SCHOOLS SPORTS DAY

We were extremely lucky to have such great weather on Friday for the carnival considering the cold change we’ve had over the weekend. It was wonderful to see the students all participating and it was obvious that all our training in standing jump and overarm throw paid off because we won the Overall Point Score Trophy for the first time since we joined the competition in 2008.

Mrs Dixon was elated when the students were awarded the March Past Trophy. They did look fabulous and managed to keep time and stay in line when it mattered.

Dear Parents/Carers

Our school has registered to participate in the 2014 NSW Premier’s Primary and Secondary School Sport Challenge.

The purpose of the Challenge is to encourage students to participate in sport, games and physical activity and to have more students, more active, more often!

Over a ten school week period commencing 29/4/14 and finishing the end of Week 1 Term 3, our Kindergarten to Year 9 students will be monitoring physical activity we do during class time, at recess and lunch as well as during sport.

What we do outside school hours will also count towards the Challenge award. As this year marks the 20th Anniversary of the United Nations International Year of the Family, we’d especially like to encourage all our families to support us in encouraging students’ healthy use of leisure time and to experience the joy of being active together.

For Primary students: Each student will be issued with a Challenge log book to record their physical activity.

Or for Secondary students: Students are encouraged to download the free PSC app for smart phones or desktop, to aide in recording and monitoring their physical activity levels.) Log books will be kept at school and filled in daily.

Students completing the Challenge will receive a personalised certificate from the Premier of New South Wales.

Physical activity is valued for its physical, social and emotional benefits. It also helps young people to develop communication skills, confidence and resilience while having fun with family and friends.

If you would like to discuss any aspect of the Challenge or make suggestions, please contact Mrs Robinson or Mr Hofman who will be pleased to talk further with you. For more information on the NSW Premier’s Sporting Challenge please visit www.online.det.nsw.edu.au/psc

I know our students are really looking forward to participating in the NSW Premier’s (Primary or Secondary) School Sport Challenge and having fun along the way!

Yours sincerely

Wendy Robinson

**Intention to apply: Year 5 entry to an opportunity class in 2015**

Dear Parent/Carer

Government schools use a range of strategies to meet the educational needs of gifted and talented students. One strategy is opportunity class placement which provides intellectual stimulation and an educationally enriched environment for gifted and talented students.

Offers for opportunity class placement will be made on the basis of the Opportunity Class Placement Test results and school assessment. The Opportunity Class Placement Test will be held on **Wednesday 23 July 2014**.

If you would like to apply for opportunity class placement in Year 5 in 2015 on behalf of your child, you need to do so soon.

Most applicants are expected to apply on the internet and submit their application online. They will need to have an email address (not the student’s email address), access to the internet and a printer.

Detailed instructions on how to apply online will be available from **Monday 28 April 2014** at www.schools.nsw.edu.au/opplacement. Online applications close on **Friday 16 May 2014**. Applications after Friday 16 May will generally not be accepted.

If parents do not have internet access, commercially printed application forms will be available on request from the school on **Monday 28 April 2014**. They must be completed and returned to the school by **Friday 16 May 2014**.

The applications will be processed by the school in exactly the same way whether you apply online or submit a commercially printed form. Parents are to submit only **ONE** application for each student.

Yours sincerely

Principal

Cut along the dotted line and return the completed slip below to this school by next Friday.
