Fun ky Hair Day

Mr Foster was the first client for the Funky Hair Day stylists on Friday. His beard was chalked with all the colours of the rainbow and he looked magnificent for the whole day. The children had lots of fun with their wacky hairstyles and colours all for a good cause. We raised $50.00 for the Leukaemia Foundation. Thank you to everyone who supported the day and our School Captains who spent the morning expressing their creativity.

Stephanie Alexander Kitchen Garden Foundation Training

This week we have Diane Plefke and Sarah Ryan heading to Orange for a two day workshop on the Stephanie Alexander Kitchen Garden Program. Diane will be trained as a Kitchen Specialist and Sarah as a Garden Specialist.

The garden beds are being prepared for our next crop. K/1/2 sowed some seeds last week. Water remains a concern. We are getting very low. The chicks are growing and doing well. A few weeks ago I requested if anyone had any 20L plastic empty Roundup or Sheep Drench Containers that they would be willing to donate for chicken nests. We did not have any response and still need these items.

Harmony/Multicultural Day

On Friday 20th March, the students in Kindergarten to Year 6 will be travelling by Priestley’s bus to Wyalong Public School to participate in a Harmony/Multicultural Day. The bus will be leaving Quandialla at 9.00 am and return in time for the normal school buses. Students will be rotated through activities throughout the day and mix with children from the other schools in attendance. A canteen will operate at Wyalong on the day but students must pre-order. Lunch order forms must be returned with Permission notes by Wednesday.

Waste to Art

This year the Waste to Art Project is to make something for the garden. We are looking for donations of old pallets, old spoons and forks, empty pep bottles and old hoses (they need to be flexible but maybe they are ruined because they are split or holed). Donations of any materials that could be considered useful would be appreciated.
What’s Happening in 3/4/5/6?
I will be away at a Learning and Support Teachers training in Orange on Thursday and Mrs Kathy Harvey will be replacing me. On Friday we will be joining Wyalong Public School for Harmony Day.

With the pool now closed, the students will begin preparing for the Forbes Small Schools Athletics Carnival and will be developing their athletics skills in both PE and Sport.

In Science the students are studying the effects of weathering on rocks.

We are studying Patterns and Algebra in Maths and in English we are looking at confusing homonyms two, to too and their, there, they’re.

Have a great week

Wendy Robinson
Assistant Principal

K/1/2 News
We had a fantastic lesson in the garden and kitchen last week. Thank you so much Mrs Curry and Mrs Morley. Our vegetable tarts Mrs Noble made with us were very yummy.

I will be away on Friday and Mrs Ryan will be accompanying the class to Wyalong.

RESCHEDULED MEETING:
QUANDIALLA P.&C. ASSOCIATION – ANNUAL/GENERAL MEETING
26TH MARCH, 2015
The Annual/General Meeting of the Quandialla P.&C. Association will be held on Thursday, 26th March, 2015, commencing at 7.30 p.m. in the Staffroom at Quandialla Central School.

All most welcome to attend this meeting.

Thursday, April 2nd Term 1 ends

COMMUNITY HEALTH

Drop In Clinic – 9.00 a.m. to 10.30 a.m. or by Appointment. All other services as usual.

Phone: 6347 1200
Behind the News

Each week, the 3-6 class will bring you up-to-date on a world news story... in their own words.

Story Outline:
In a school in QLD they have 8 sets of twins and one set of triplets. They are discovering whether one can feel the others pain and thoughts.

The story:
BTN visited a school with lots of twins and triplets. They wanted to discover whether one twin can feel the others pain and thoughts. The twins at the school said that they definitely couldn't. Identical twins are made by one egg splitting to be two and fraternal twins happen when two eggs are fertilised.

Our opinion:
Our class thinks that they deserve their own toys, friends, lives and names.
Senior Citizen’s Week Celebrations
at the Quandialla Health Centre – Tuesday, 17th March, 2015

Students from Kindergarten to Year 6 provided entertainment at the 2015 Senior Citizen Week celebrations at the Quandialla Health Centre.

K-6 students sang “Green Grass”, and students in K/1/2 sang “Days of the Week”.
